

Sales Force Performance Management

Overview

Unless there is continuous development of individuals and teams within any organisation, performance will not improve. This one day course aims to equip delegates with the necessary skills to effectively and confidently manage individuals and teams in order to achieve high levels of organisational performance.

Target Group

This course is aimed at managers and team leaders within a sales-based environment.

Objectives

- Look at their existing strategies and consider alternative possibilities to improve performance.
- Understand the psychology of sales & the sales process
- Understand the importance of setting achievable goals
- Deal effectively with difficult situations
- Identify effective methods of giving feedback
- Demonstrate information gathering and listening skills
